AILEEN  
Grazp Pharmaceuticals?

LYN  
Mmm.... now... there was something  
in the journal about the water.

AILEEN  
Watson, any luck with the journal?

Watson brings up part of the journal, an entry by Professor Remi which says: "since I've been examining the water I feel rejuvenated my skin looks younger each passing day."

AILEEN

Rejuvenated? That's gotta be worth  
a fortune to Grazp!
