

"THE LOST BOOK: EPISODE 5"

FADE IN:

INT. CORRIDOR ON FLOOR 10 OF GRAZP HQ - DAY

A door closes, quietly. The sign on the door says "STORE".

INT. INSIDE STORE ROOM - DAY

Otto is pressed against the back of the door, BREATHING HEAVILY. He waits, frozen, listening.

BERYL POTTS (O.S.)

Don't let him escape! Secure the perimeter!

HENCHMAN (O.S.)

Yes Ma'am.

He went this way.

Footsteps run past the door. When all is quiet, Otto relaxes in relief.

EXT. GRAZP HQ - NIGHT

A shadowy figure abseils down the side of the building.

The lower floor lights are on, but the tower is dark.

A small, moving light source can be seen at one window.

INT. SMALL ROOM WITHIN GRAZP HQ - NIGHT

Aileen and PROFESSOR CATHERINE REMI sit back to back, roped together. Remi appears to be a woman in her thirties. Aileen has a penlight.

AILEEN

You're Prof. Remi from the Challenger expedition? I was expecting someone... umm...

REMI

Older?

I'm seventy-eight.

AILEEN

Woah! The water actually
rejuvenates?

REMI

Yes... and no. It's poisonous
without the Ikhata.

AILEEN

So that's the secret. What *is* a
hick carder?

REMI

Ikhata. It's...

A bolt falls to the ground. It bounces.

REMI

(whispering)
What's that?

It has fallen from a ventilation grille. The remaining
bolts are unfastened, one by one, from the other side.

The grille is lifted aside to reveal...

Otto Dafé.

He pokes his head out of the ventilation duct.

AILEEN

Dafé?! I hoped you'd been
extinguished.

Otto gesticulates to stop Aileen talking, eventually
putting his finger to his lips.

OTTO

Shuuuussssssh.

I'm...

CRASH!

Someone smashes through the window.

Aileen and Remi SHRIEK.

The figure lands unhurt. It's Lyn, dressed in black.

She cuts the rope binding Aileen, and turns to Otto.

They hug.

AILEEN

Lyn?

LYNX

Uh-huh - and he's my brother.

OTTO

We're Invisible Inc.

The bottom of a rope ladder swings into view outside the window. Lynx reaches for the ladder.

LYNX (CONT.)

Come on!

END CREDITS / EXT. GRAZP HQ - NIGHT
