

"THE LOST BOOK: EPISODE 6"

FADE IN:

INT. SHEEP HEID INN - DAY

Aileen sits in a window seat reading the *Daily Gazette*. The front page carries a story headlined "LOST BOOK FOUND". Watson's opposite, reading a book.

A double page spread inside the *Gazette*, under Aileen's byline, reports "HOW THE BOOK FRAUD WAS UNCOVERED". Photographs show Grazp Pharmaceuticals Inc's headquarters in Christchurch and the local jail.

AILEEN (V.O.)

It was no problem getting Beryl Potts arrested.

A police van outside the HQ switches on its SIRENS and flashing lights and drives out of the photo, only to arrive a few moments later at the jail.

AILEEN (V.O.)

Kyle had all the evidence for his New Zealand colleagues.

Watson rolls his eyes and shakes his head.

WATSON (V.O.)

Kyle, Kyle, Kyle. Who gathered the evidence?

INT. BERYL POTTS' OFFICE - NIGHT

Watson leaps and ducks to avoid security laser beams.

WATSON (V.O.)

Aileen was tied up, Kyle nowhere to be seen, so dogsbody here did all the running around.

Watson makes it to Beryl's desk. He finds a proof copy of a marketing brochure (slogan: "MULTI-MILLIONAIRE? WHY DIE? GRAZP A YOUNGER YOU - AND OUTLIVE THE RIFF-RAFF") next to a rack of test-tubes.

A post-it note attached to the test-tubes says: "WATER TEST JPdL/4/#25182512 OUTCOME: FAIL".

AILEEN (V.O.)

We didn't even need to sabotage  
Grazp's lab. Without the Ikhata,  
the entire project was a failure.

INT. THE NATIONAL LIBRARY OF SCOTLAND - DAY

Aileen's Mum balances on a ladder, using a feather duster  
to clean a suspended light fitting. The room contains  
shelves filled with valuable-looking books.

AILEEN (V.O.)

It wasn't quite so easy dealing  
with my Mum.

Aileen's Mum pushes the light too hard and it swings to hit  
a row of books. The books topple like dominoes.

AILEEN (V.O.)

She got her job back after she was  
released, but that didn't last  
long.

The domino effect works its way around the room. The final  
book falls from its shelf and plummets...

...towards the bucket of water Aileen's Mum has been using.

INT. LIBRARY COUNTER - DAY

Otto stamps books. Each book is stamped twice.

AILEEN (V.O.)

I wonder if Otto would give Mum a  
job?

The first stamp identifies the library. The second says  
"PROTECTED BY INVISIBLE INC."

AILEEN (V.O.)

Outwardly a mild-mannered  
librarian, he's Invisible Inc's  
man in Melbourne [LIBRARY TBC]

The ink used fades away completely as it dries.

INT. DOJO - DAY

Aileen wears Invisible Inc. black, including facemask. She  
and Lyn work through a martial arts training routine.

AILEEN (V.O.)  
Lyn invited me to join Invisible  
Inc.

Watson sits nearby, also with facemask.

WATSON (V.O.)  
And me!  
  
We're on standby for our first  
mission!

INT. SHEEP HEID INN - DAY

Aileen's looking at the magazine section of the newspaper,  
*g too*. Professor Remi's on the front cover, under the  
headline "ADRIFT IN THE RIFT".

AILEEN (V.O.)  
And, Kyle finally got up the nerve  
to ask me out.

Kyle's at the bar, getting drinks for him and Aileen and a  
bowl of water for Watson.

AILEEN (V.O.)  
So, here we are - for a peaceful  
evening and a break from  
adventures.

Aileen's mobile sits on the table. It vibrates. A message  
from Lyn arrives: "ALL OPERATIVES: ALERT. REPORT TO BASE."

FADE OUT.
